- Front End Development
- HTML
- CSS
- JavaScript
- Bootstrap
- Tailwind CSS
- Responsive Design
- Creative Problem Solving
- Digital Marketing

Work Experience

● Web Development

2024 - 2025

I specialize in translating design into clean, efficient code using modern technologies like HTML, CSS, JavaScript, and React. With hands-on experience at Techaccelerate Hub, I've contributed to dynamic, real-world projects that blend performance, accessibility, and visual appeal. I'm committed to delivering seamless digital experiences that not only look great but function flawlessly across all devices.
